

Attack orders circulated around the globe

Jun Togo

There are people who debate good and evil on a planet.

By the way, people on this planet believe that they must fight against evil. They all have been taught this since they were children. So their words can be re-written as follows.

Fight against these people!

These people are bad!

No, fight against those people!

No, those people are bad!

On this planet people always fight against each other.

Afterword -'Attack orders circulated around the globe' picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies which cause millions of people to suffer. (Please refer to my book, Good and Evil Addiction).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
