

A Bad Good man -2

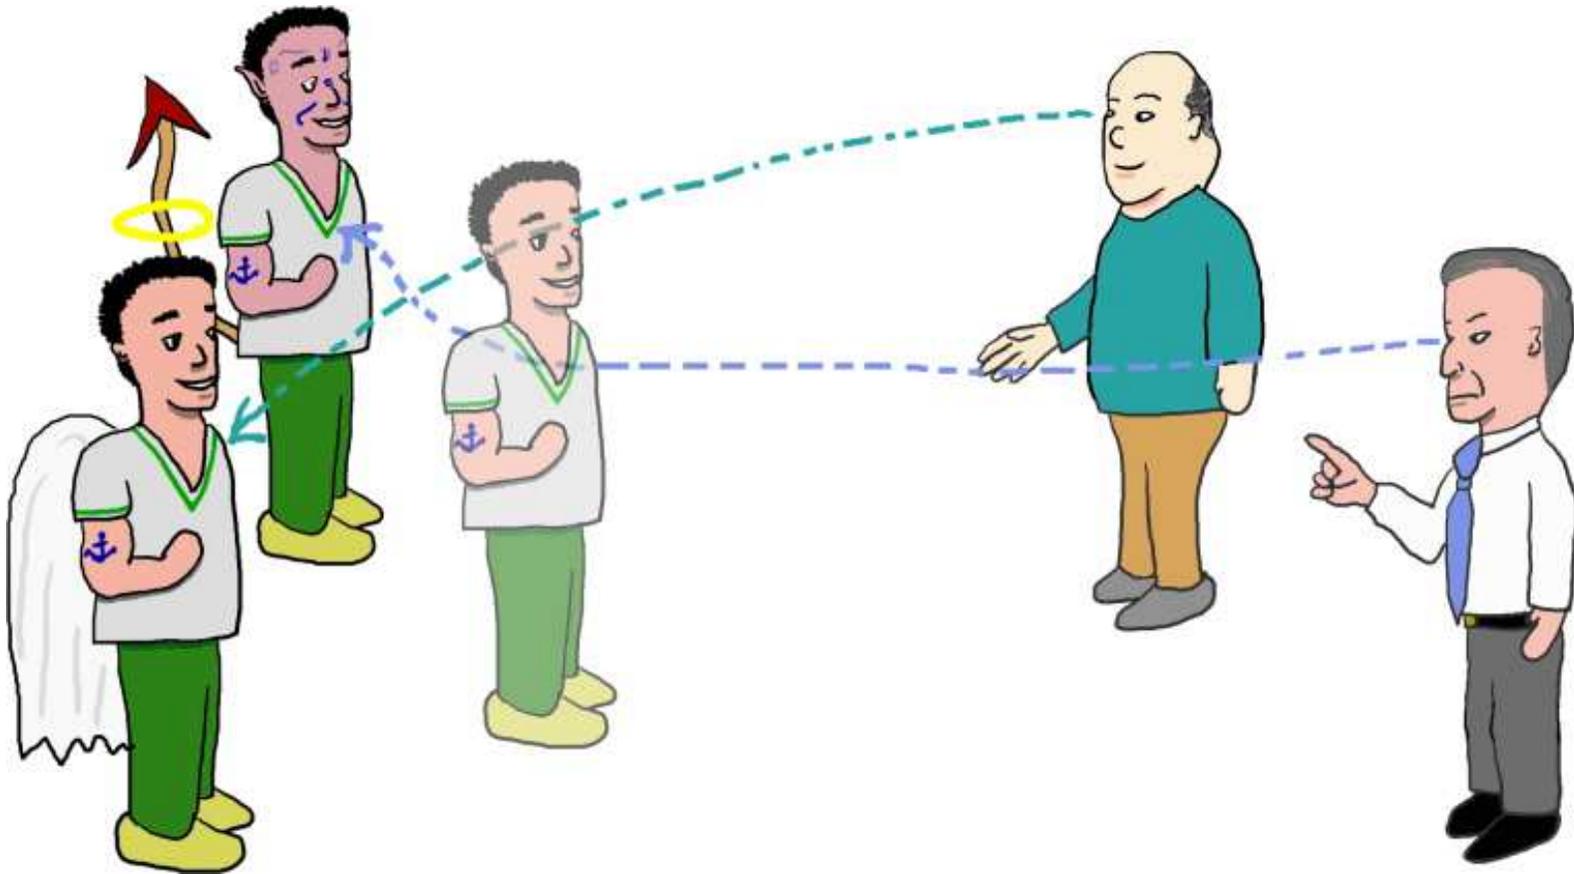

Jun Togo

There are three men, the first one is called Mr. Tattoo, and the other two are called Mr. Lookbad and Mr. Seegood who are wondering what kind of man Mr. Tattoo is.

Mr.Lookbad thought that Mr.Tattoo is a criminal or that sort of person. Maybe it is because of his tattoo. On the other hand, Mr.Seegood imagined that Mr.Tattoo is a good person with full of love. Maybe it is because of his nice smile.¹

¹ N.B. The writer has no intention to claim whether a person with a tattoo(or a nice smile) is good or bad

Mr. Seegood regarded Mr. Tattoo as a very good man, so Mr. Seegood treats Mr. Tattoo based on his recognition. For example, if Mr. Seegood is an interviewer of the job;

It is natural to positively employ a person who seems good.

If Mr. Tattoo's girlfriend happens to be Mr. Seegood's daughter;

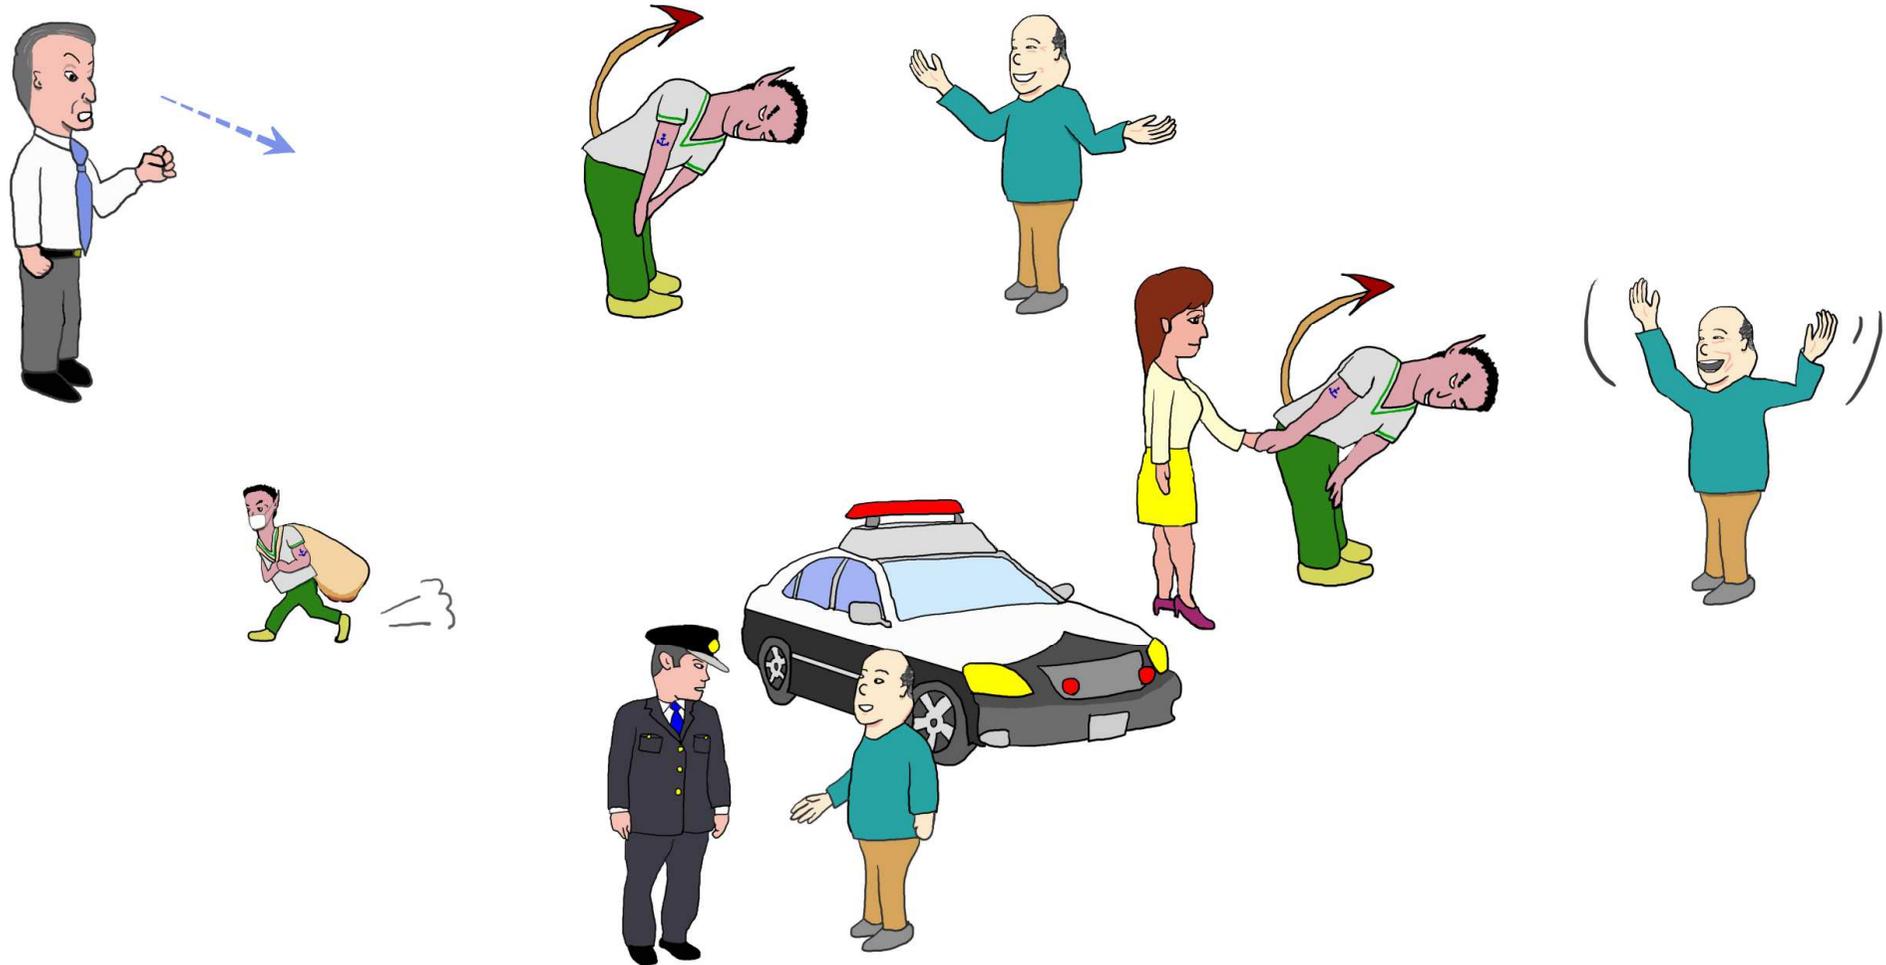

It is natural to wish a beloved daughter to get married with a good guy.

If a robbery happens nearby;

It is natural not to suspect a person who seems good when a crime happens.

Now please imagine the point of view through Mr.Lookbad. How does it look like from the position of Mr.Lookbad? Please remember that Mr.Lookbad regards Mr.Tattoo as a bad man instead of a good man.

Is there any chance for Mr.Lookbad to recognise that Mr.Seegood is a friend of evils with no morals?
