

# Reproduction in Process

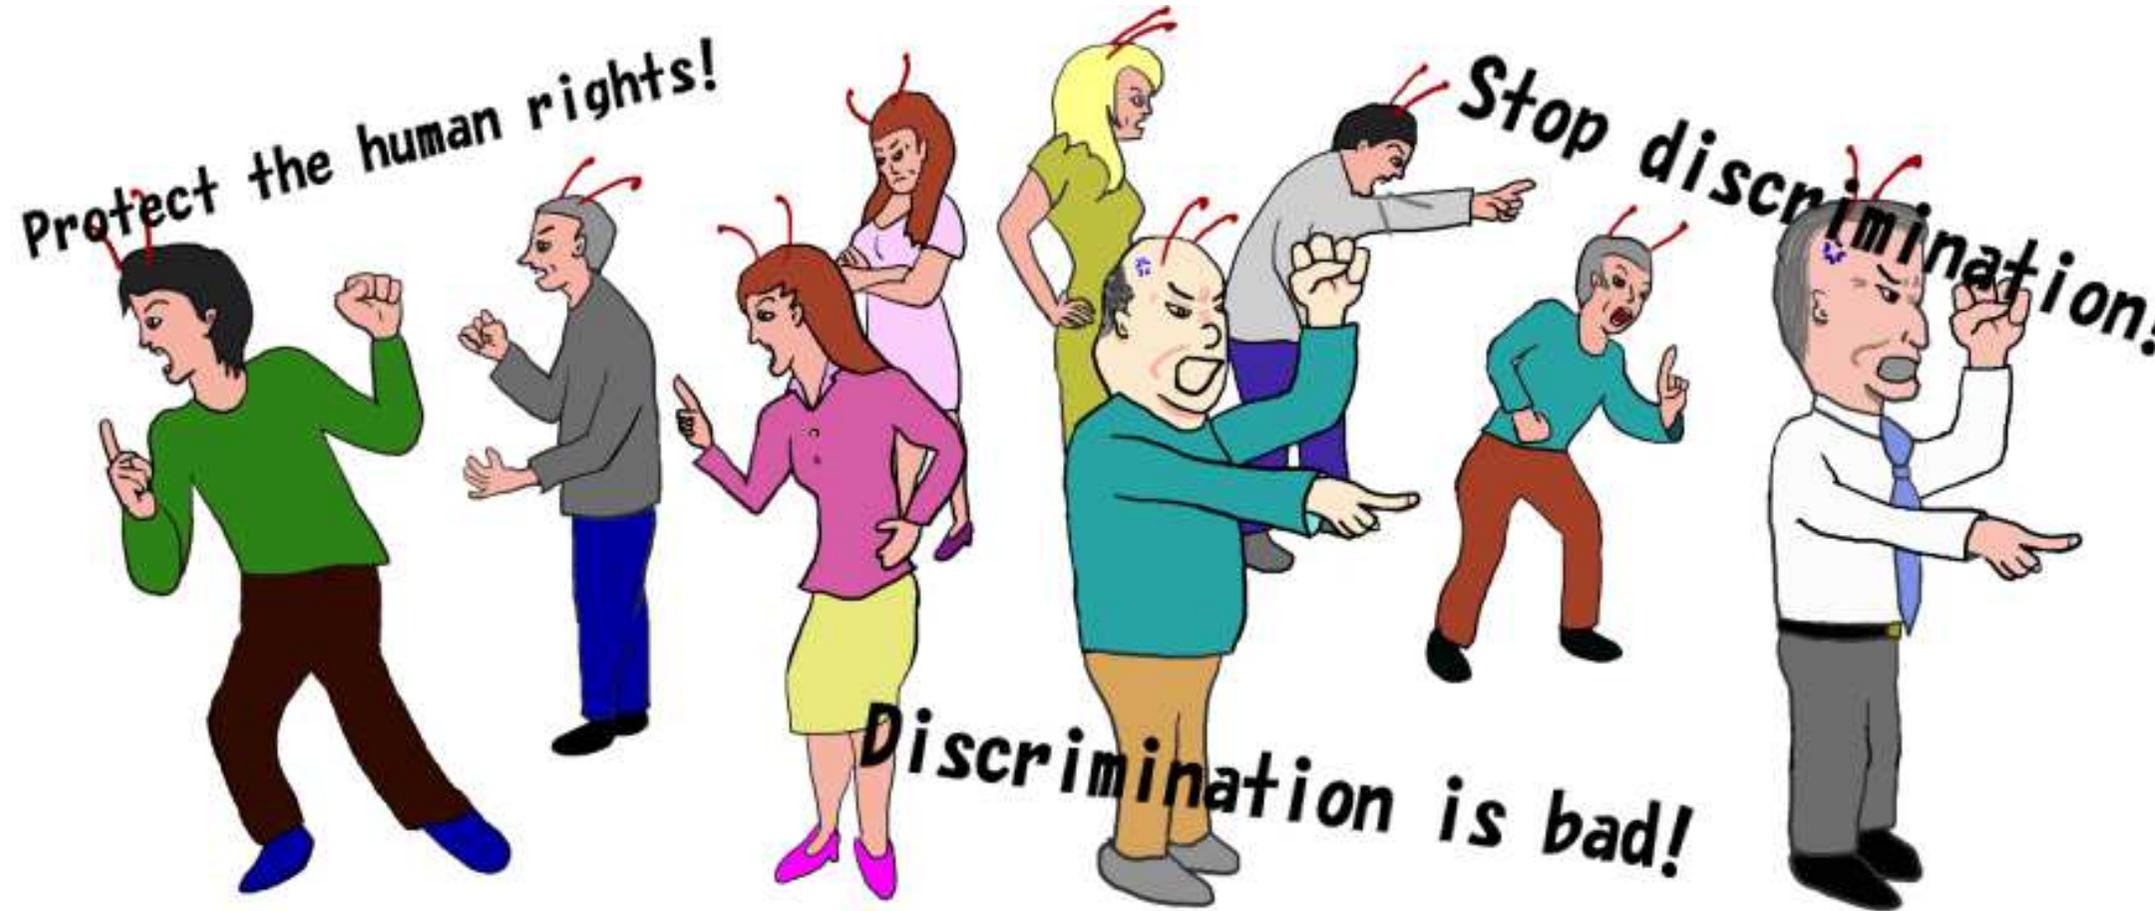

Jun Togo

On a planet in the vast universe, people are discriminating and hating each other.

As the result, countless people have been hurt and killed. Afterwards people who have survived started believing that discrimination is unforgivably evil and committed only by a bad person.

Then many people have started to fight against the evil called discrimination.

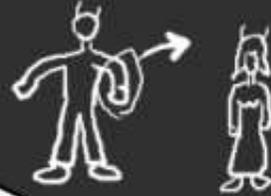

The teachers have also started to instruct that "Discrimination is bad" in school.

**Everybody,  
don't be a racist  
kind of a person!**

**You should never discriminate!**

**The value of a male is set as twice of a female.  
A female should follow a male from her birth.**

**By the way, this is god's saying.**

**Let's all oppose discrimination together.**

**The homosexual is cursed by god.**

**You must punish them.**

**This is also god's teaching, of course.**

<sup>1</sup>N.B Please assume that the above information regarding the value of sex and homosexual on the planet is wrong, which is not related to this earth.

**Discrimination  
should never  
be tolerated!**

**A woman who is a fortune-teller  
or a psychic is a witch!**

**You cannot  
tolerate a witch.**

**Needless to say,  
every teaching  
of god is right.**

**Discrimination  
is bad!**

**The people who believe in  
different types of  
gods from us  
are all **devils.****

**We never  
discriminate.  
The devils  
discriminate!!**

---

<sup>2</sup> N.B. Please assume that the above information with regard to the witch and the pagan is wrong, which is not related to this earth.

It seems that discrimination on this planet will last for a long, long time.
