

Critical Debate

Jun Togo

People are arguing seriously.

It seems that they are arguing which word they use to express the each incident.

Oh my, there is a man who insists of using a certain word even by lying.

Oh my, there is a man who refuses to use a certain word even by using violence.

Let's ask the reason why they insist of using a certain word so much?

Why are you so serious about which word to be used even by telling a lie and fighting each other?

Good or evil is determined by this, as each word has its nuance.

For what purpose are you determining right or wrong?

The purpose is to destroy evil.

Destroying someone,

Is it the only choice?

Afterword –‘Critical Debate’ picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies, which cause millions of people to suffer. (Please refer to my book, *Good and Evil Addiction*).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
