

# ***What is right?***

***Jun Togo***

There once was a man who always questioned himself about *good and evil*.

What is *right and wrong*?

What is true justice?

Collateral damage    Collusion

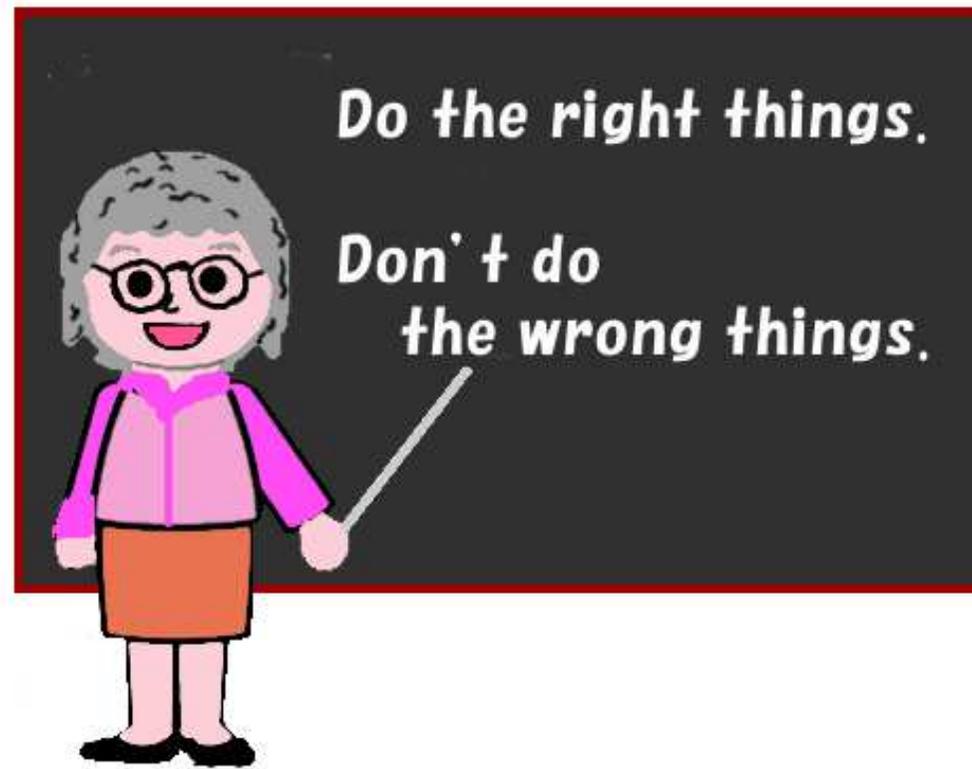

Whistleblowing    Corporal punishment

War for freedom    Abortion    Adultery

Human rights    Animal rights    Racism

Doctrine of evolution

Capital    punishment...

By the way he has been taught like this since he was a child. So his questions can be re-written as follows according to the orders.

What am I ordered to do or  
not to do?

What is right and wrong?

?

What am I ordered to do in  
truth?

What is true justice?

Here are some questions.

- Who gives the orders?

- What kind of reward (punishment) is given for obeying (disobeying) the orders?

- How about other details of the orders?

Such as - In what kind of situation do the orders become effective? What is the goal of the commands? What priority level is assigned to them? Are there any other choices? Who and how will determine the procedures? etc.

And one more thing;

# What do you want to do?

Eh!?

What do I  
want to do?

## Afterword – ‘What is right?’ picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies, which cause millions of people to suffer. (Please refer to my book, *Good and Evil Addiction*).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
