You can scorn

Jun Togo
I am more stupid than others.

Oh, you can't even understand such a simple stuff?
I have also little money.

You poor looser!
I have no strength either.

Sissy!

S-stop it!
Ah, I don't want to be scorned anymore!
I wanna also look down on somebody!
No problem! There is a way to look down on everybody!

Huh? Do you want to know how it works?

You idiots!
Use this teaching!

Do the right things.
Don't do the wrong things.

Or you will become a bad person.
At first you classify anybody whom you want to look down on as evil.

He does what is wrong.
He is bad!

She doesn't do what is good.
She is evil!

Liar, traffic violation, adultery, arrogance, angry, violent, litter, pagan etc.

After all, 'good and evil' has only 2 categories, namely, 'good' and 'evil'. It is sooo rough that classifying anyone as evil is very easy.
Then all you need is to look down on bad ones.

You see? Not only you can scorn people, but also you can express your hatred.¹

¹This is not about any religion but about the psychology of hatred. The writer makes no assertion at all about hell, God or final judgment either.
Cherish good and evil!

Yes, good & evil is extremely attractive!!
Afterword – ‘You can scorn' picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies, which cause millions of people to suffer. (Please refer to my book, *Good and Evil Addiction*).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
