

You can scorn

Jun Togo

I am more stupid than others.

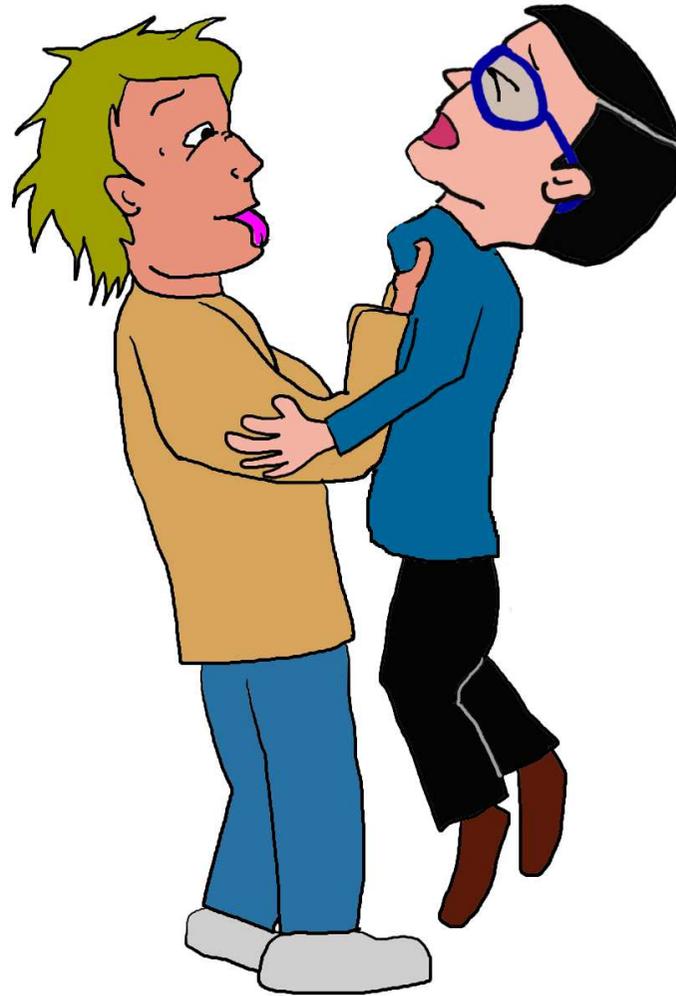

I have also little money.

I have no strength either.

Sissy!

S-stop it!

**Ah, I don't want to be scorned anymore!
I wanna also look down on somebody!**

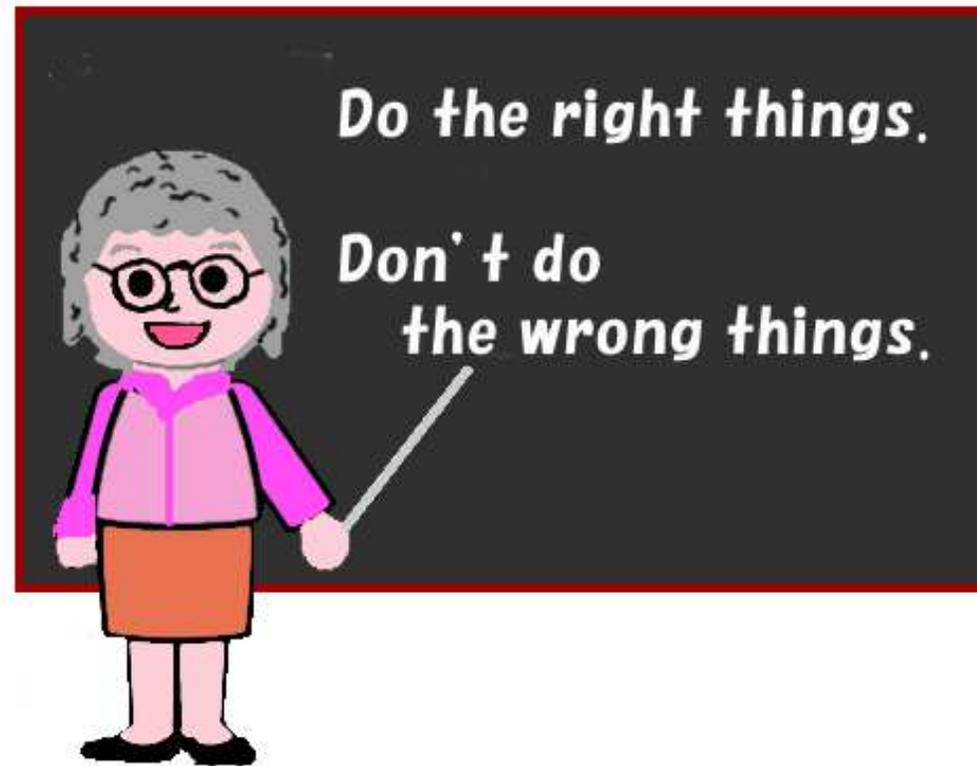

No problem! There is a way to look down on everybody!

Huh? Do you want to know how it works?

Use this teaching!

*Or you will become a
bad person.*

At first you classify anybody whom you want to look down on as evil.

Liar, traffic violation, adultery, arrogance, angry, violent, litter, pagan etc.

Not fight for justice, not donate all one's assets, not sacrifice oneself, not have faith in God, not oppose something bad etc.

After all, 'good and evil' has only 2 categories, namely, 'good' and 'evil'. It is sooo rough that classifying anyone as evil is very easy.

Then all you need is to look down on bad ones.

You' re all baddies. Poor creatures.

Someday you will be judged by God and sent to hell.

Sooo funny! A ha ha ha ha!

You see? Not only you can scorn people, but also you can express your hatred.¹

¹This is not about any religion but about the psychology of hatred. The writer makes no assertion at all about hell, God or final judgment either.

Cherish good and evil !

***Yes, good & evil is
extremely attractive !!***

Afterword – 'You can scorn' picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies, which cause millions of people to suffer. (Please refer to my book, *Good and Evil Addiction*).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
