

# **Love and Enemies**

**Jun Togo**

**Edited by B. Blue**

It is very easy to love your enemies. Anybody can do it.

Do you think it is a lie?  
How about imagining this?

Now let's imagine that you prepare a present for your enemy. You buy some sweets and put it in a box tied with a ribbon.

Then you bring it to your enemy.

**I love you!**  
So, I'm giving you a present.

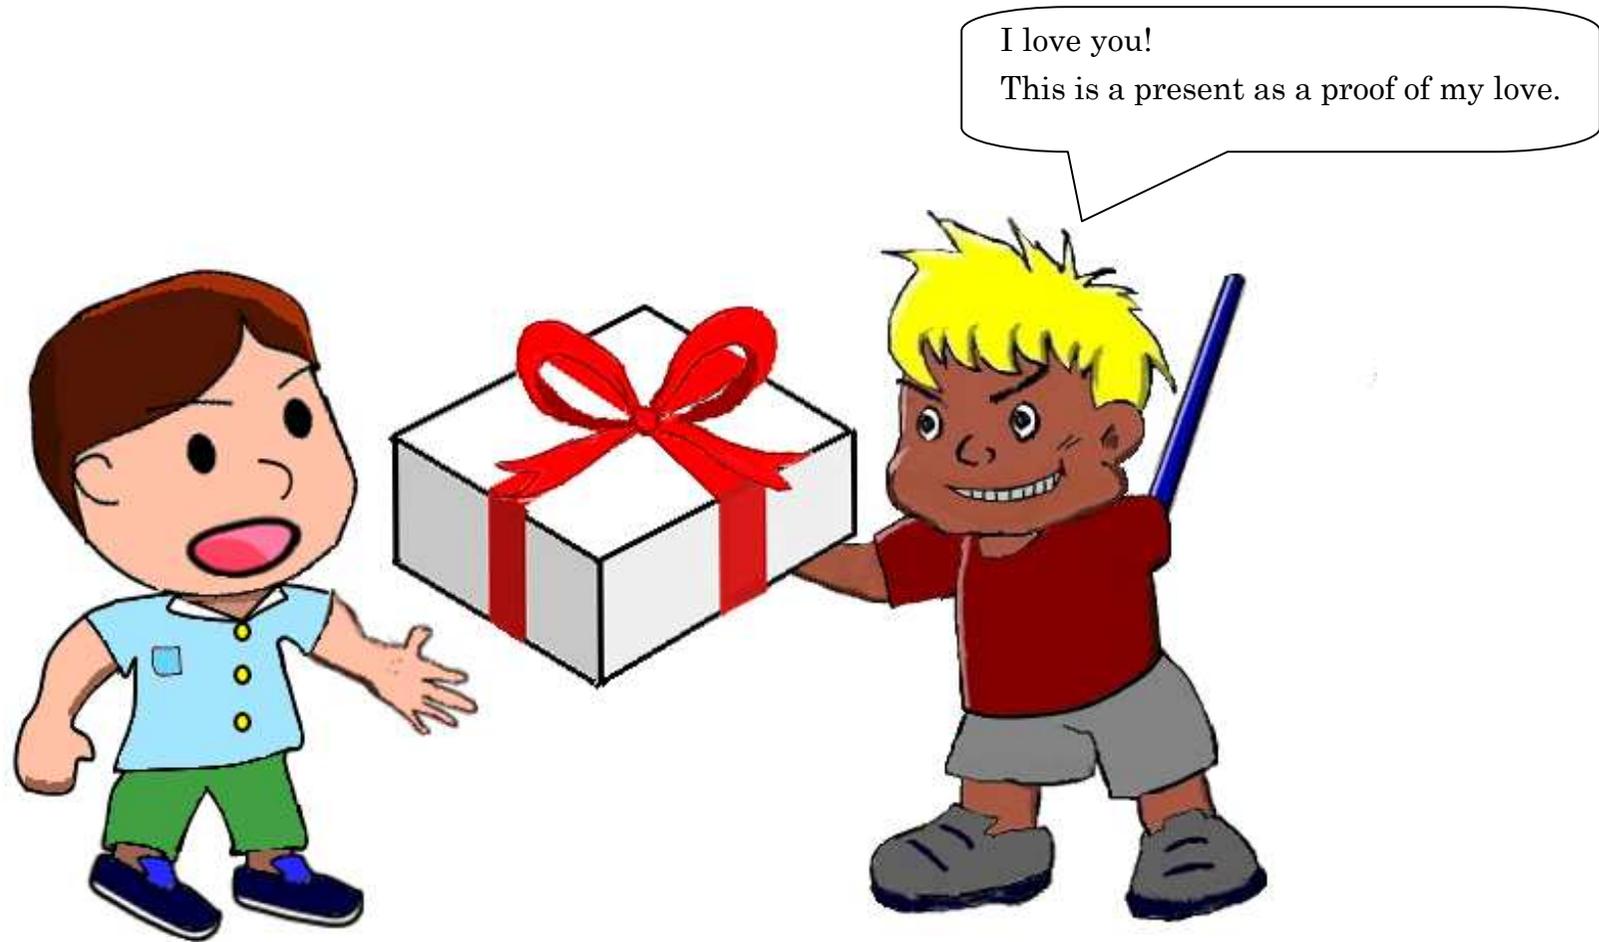

**You see, loving your enemy wasn't too hard?** What you needed was just a bit of money.

However, receiving love from someone whom you think is your enemy is very hard. ...What? Receiving love is much easier you say?

**Rubbish!** ...Imagine this.

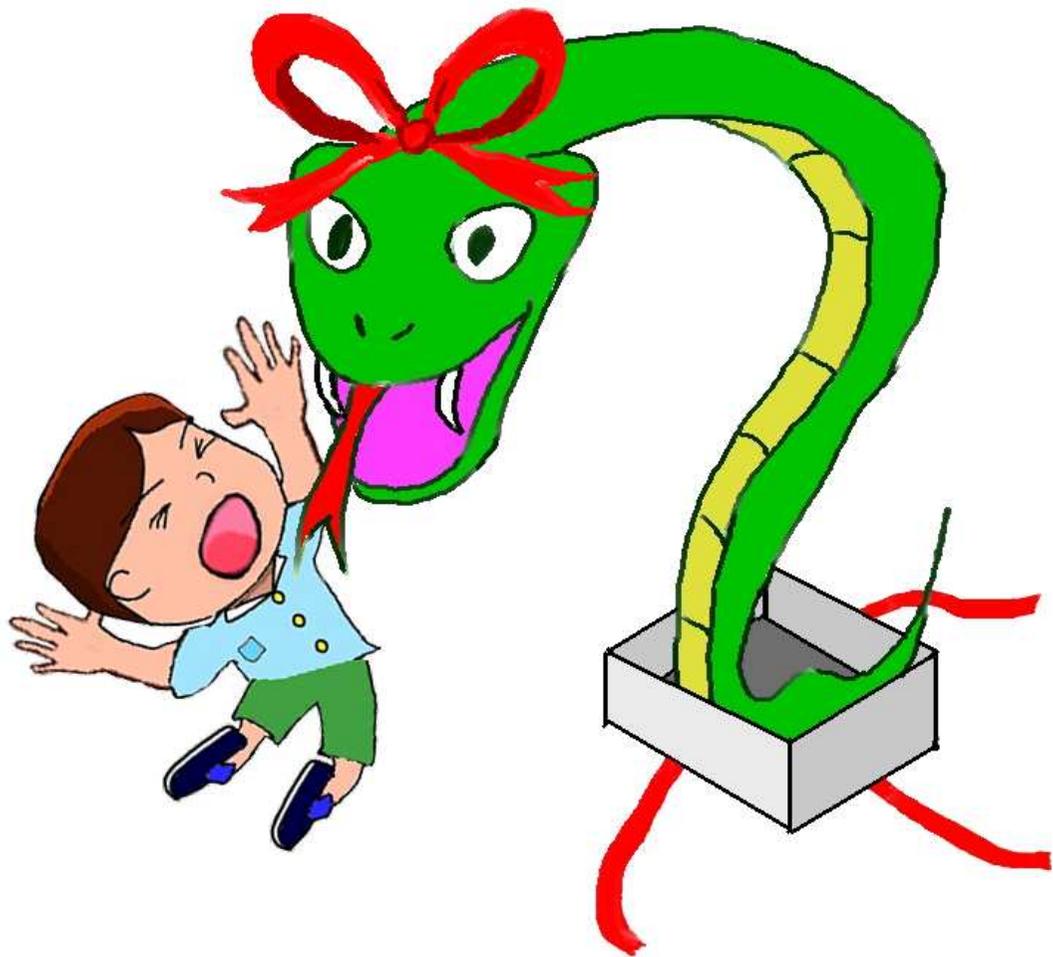

This time, you receive a present from someone whom you think is your enemy.

So here is the present from your enemy. What could it be? What's inside?  
Could it be a bomb? If so, if you opened it, it would explode!

Or could it be a venomous snake?  
If you opened it, you might get bitten.

Or maybe it's a virus?  
If you opened it, you'd catch a deadly disease.

Naturally, as if your enemy would give you something you like. If it really is chocolates, they must be poisonous.

Nooo! I don't want to die yet!

It's a present from me. **Take it!**

Nooooo!! I don't want to die yet.  
**HELP!!!!**

These are real chocolates!  
Take them damnit, take them!

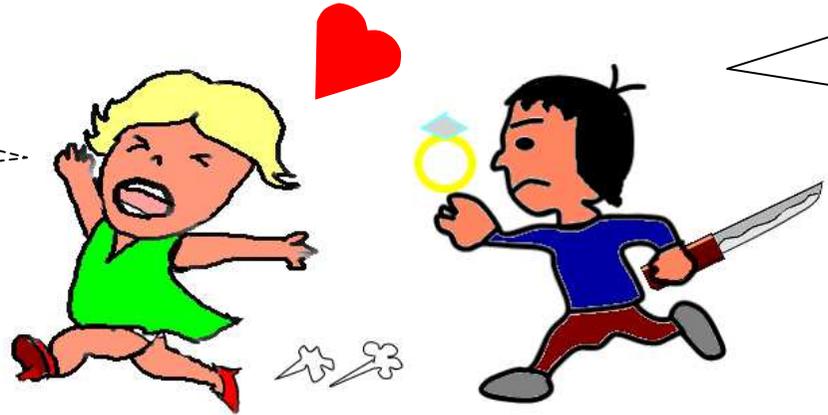

See, you get it now. To love someone is very easy.

You can even love your enemies easily.

But, **receiving love could be life-threatening!**

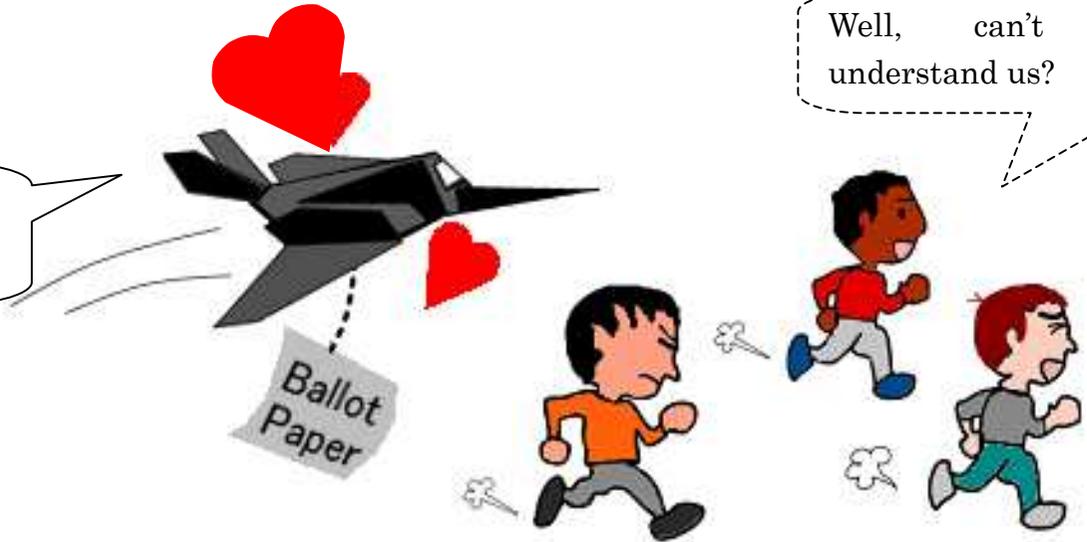

So, please try to understand!

I can't!  
Please understand!

This is a real  
diamond ring.  
Please understand  
that I love you.

We're bringing you democracy!  
Why can't you understand that?

Well, can't you  
understand us?

## Afterword

There are many illusions/misunderstandings related to 'love'. These misunderstandings tend to cause various tragedies and accordingly countless people become sacrificed.

I have written this picture book with this misunderstanding as the theme, aiming to reduce these tragedies.

You can freely make copies of (down load/print/distribute) this picture book, so long as you do not get any monetary gains. Obtaining profit/money from this book is strictly prohibited except under our written agreement.
