

Pacifism?

-What is the cause of sudden anger?-

Jun Togo

***I am a pacifist.
A war is bad.***

***Whatever the reason is,
a man should not fight
against each other.***

One day it happened.

Ahahahaha!

A pushpin was put on my chair in the classroom. It was them who did this to me.

I was very upset but if I got angry, a fight would take place. That is not a good thing.

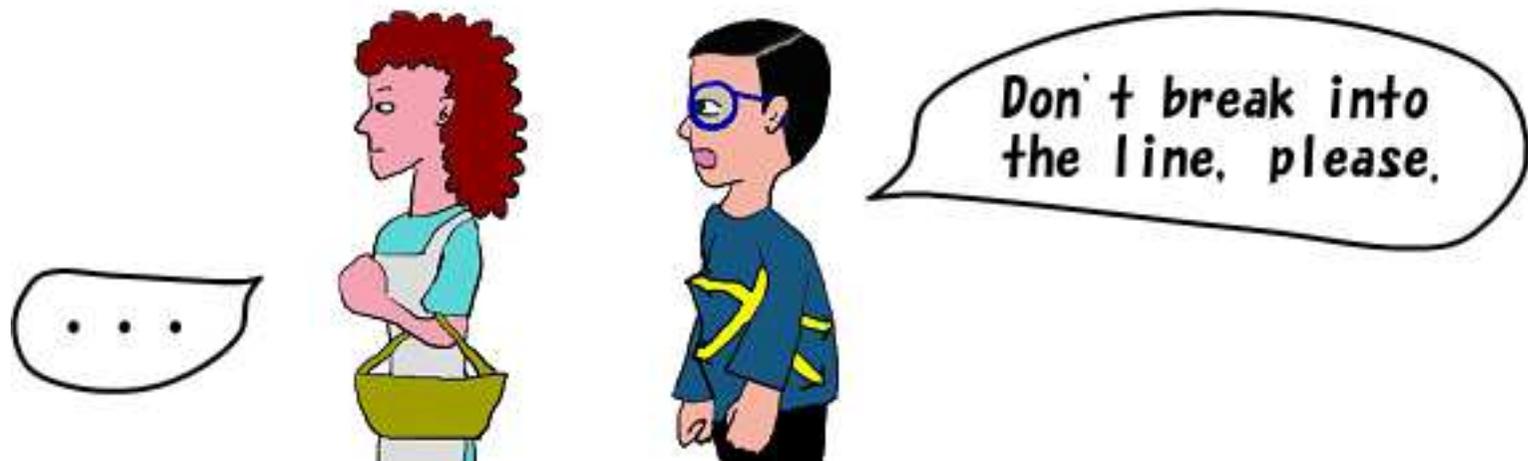

I suppressed my anger.

One day it happened.

When I lined up the row, someone cut into the line.

I was ignored.

I was very upset but if I claimed strongly, a fight would take place. Fighting is a seed of a war. Peace is something that derives from an individual mind.

I suppressed my anger.

One day it happened.

I lent the money to an acquaintance.

However, the money never came back.

I was very upset but if I got angry, a fight would begin. Fighting is dangerous. In addition, forgiveness is most important.

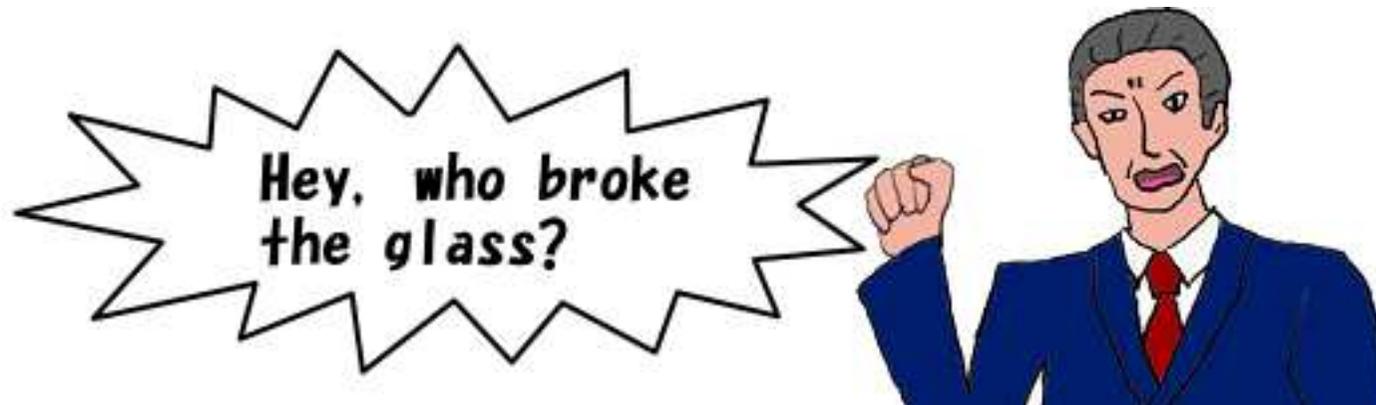

I suppressed my anger.

One day it happened.

A boy in my class broke the glass.

The teacher has appeared.

Everyone pointed at me.

In the end, I was severely scolded by the teacher.

I was very upset but if I got angry, a fight would begin. Fighting is bad. In addition, forgiveness is most important.

I suppressed my anger.

One day it happened.

You are so fat
that I ate it for you.

My younger sister ate all my sweets.

I was very upset but it is not a good thing to get angry. I also don't want to be despised by her for this kind of small matters.

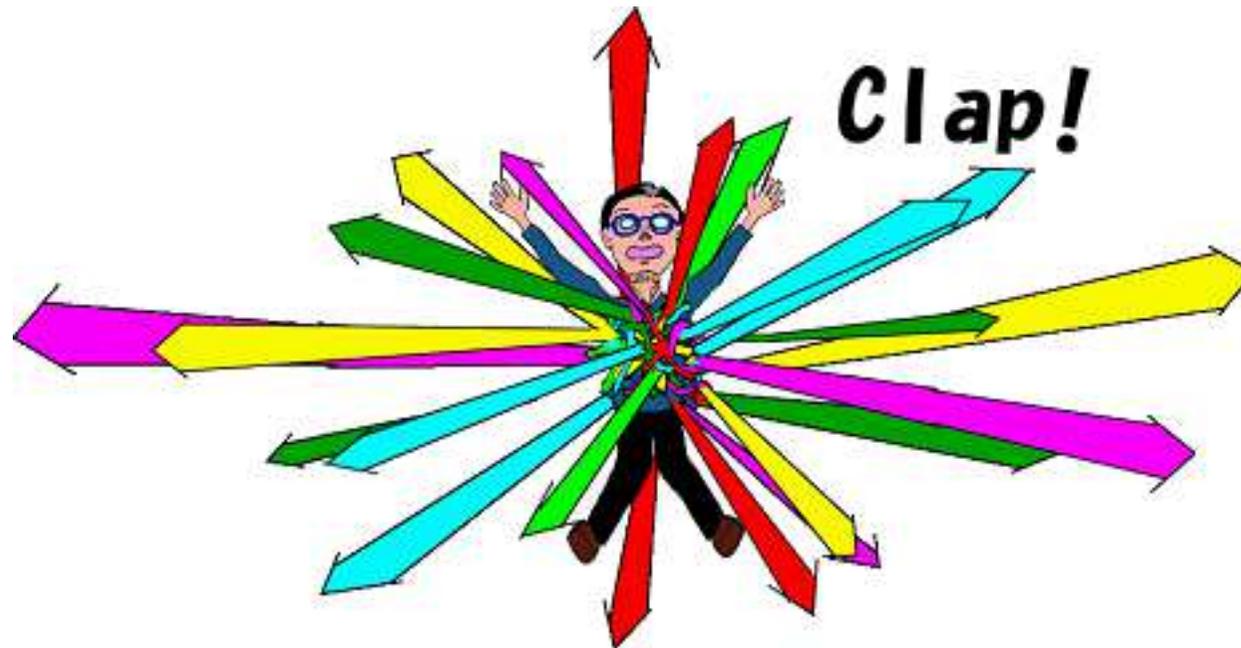

I suppressed my anger.

One day it happened.

It's raining and I don't have an umbrella.

It has started to rain, though I have no umbrella.

I' ll kill you all!

You see?

Anger is a natural feeling.

If you don't release it, it just accumulates.

Sooner or later it will explode like him.

So, please get angry!
