

***If your loved one is Killed***

**-Whom to take *revenge* on-**

***Jun Togo***

Several people are strolling on a country road.

A lady picked up the glasses from the roadside.

What is happening with her? The lady who wore the glasses received great amount of shock.

Woo, kill, kill, kill...

Oh no! A boy was killed.

In the sudden moment, the man's son was murdered. The father became really furious.

**What the hell in the world  
did you do to my boy!**

Woo...

I'll kill you!  
This is my revenge.

Oh my, another person was killed again.

Several days have been passed.

A man picked up the glasses from the roadside.

What is happening with him? The man who wore the glasses received great amount of shock.

Woo, kill, kill, kill...

Roar!

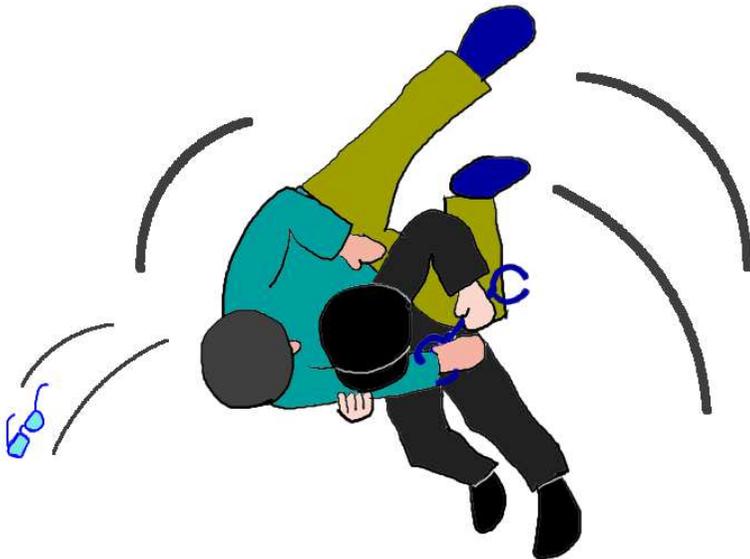

Hello,  
police?

Oh my, another person was killed again.

The policemen rushed in.

The killer was arrested immediately.

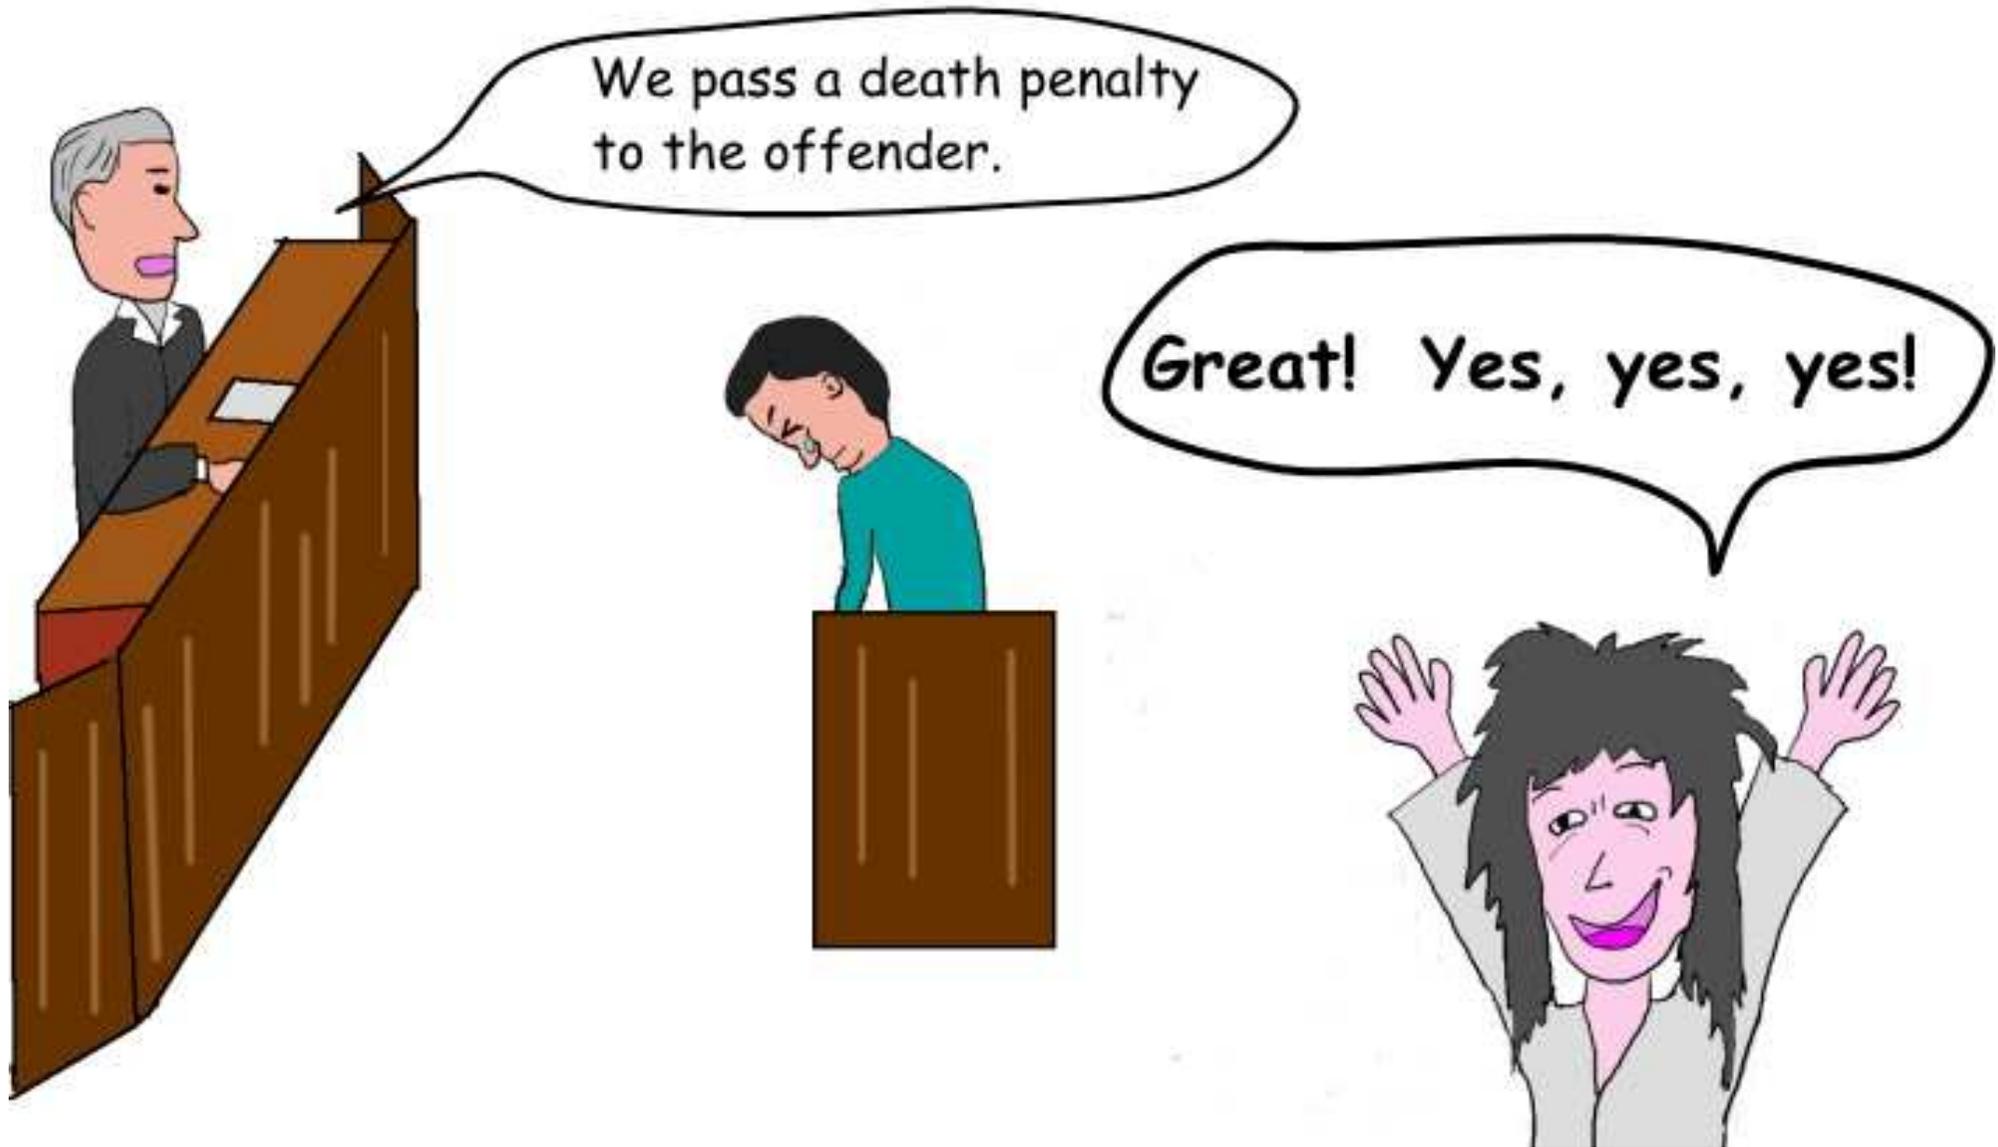

Then the court was held.

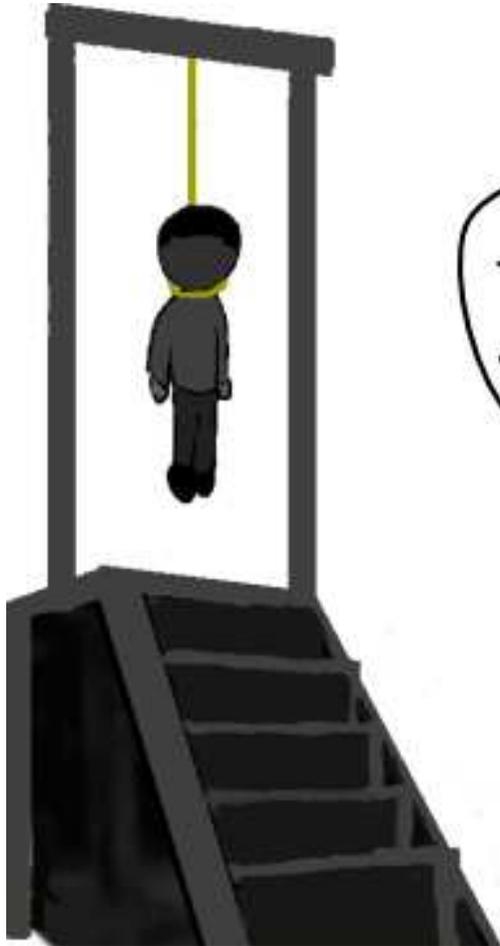

A lady who is the mother of the victim desperately appealed to the judges.

The case came to conclusion.

One day, the man was executed.

This is my revenge!  
Justice is now served.

Oh my, another person was killed again.

Still, the pair of glasses lies on the country road. Several people are taking a walk, very relaxed. It seems that many people have forgotten about the homicide case.

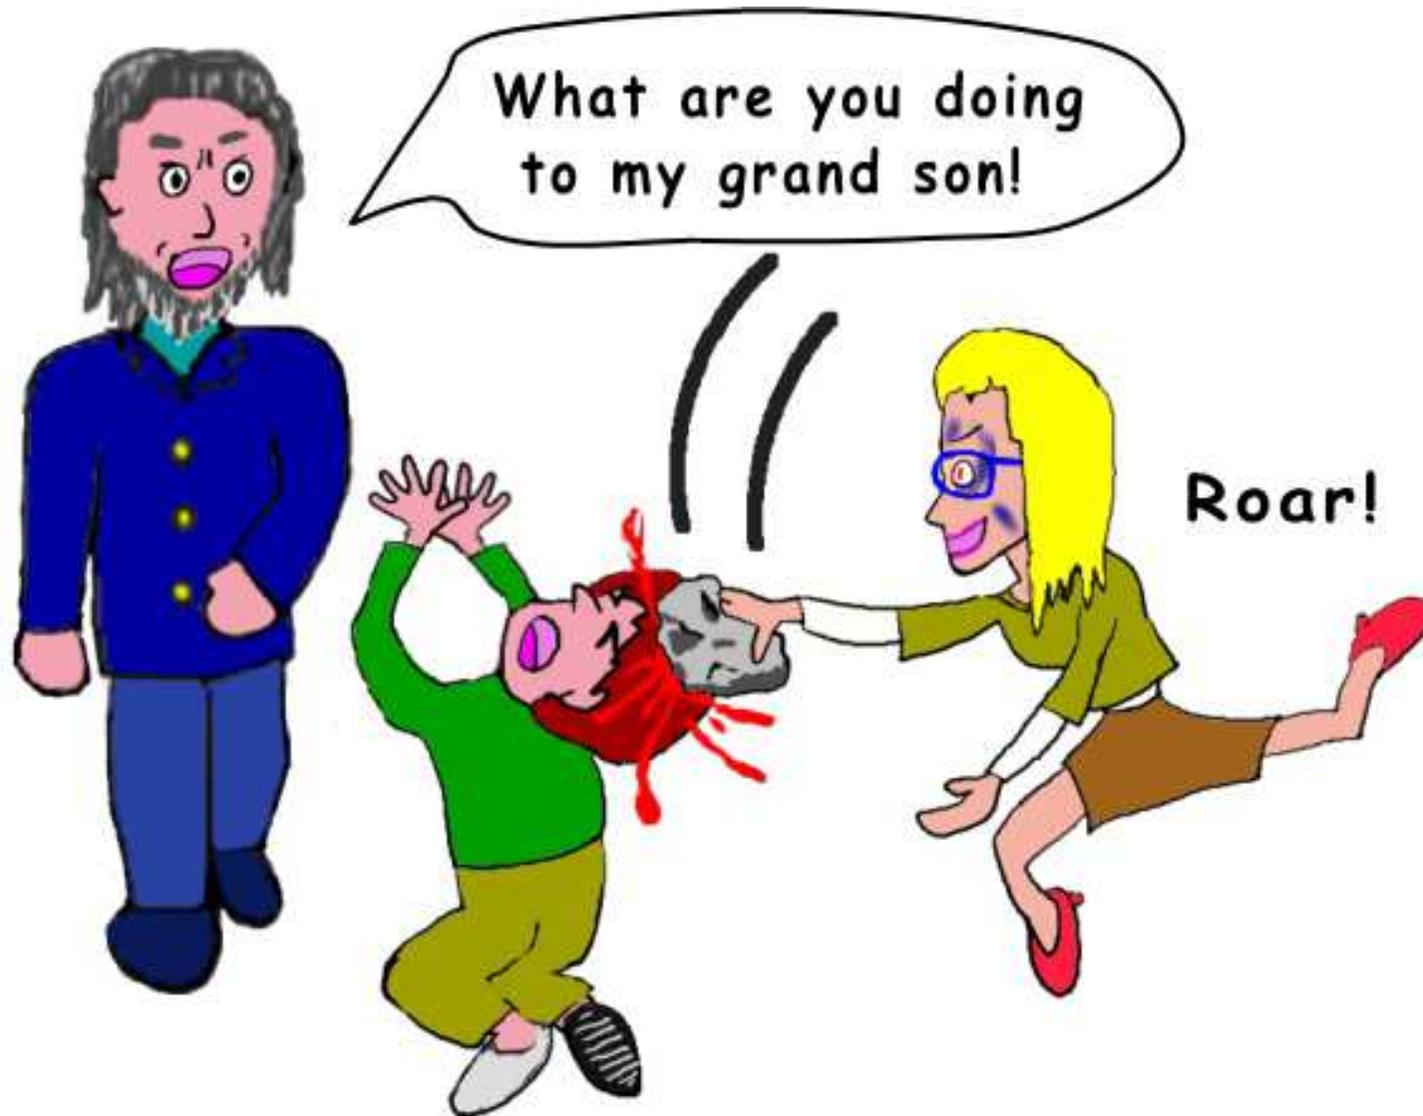

A lady picked up the glasses from the roadside.

What is happening with her? The lady who wore the glasses received great amount of shock.

Woo, kill, kill, kill...

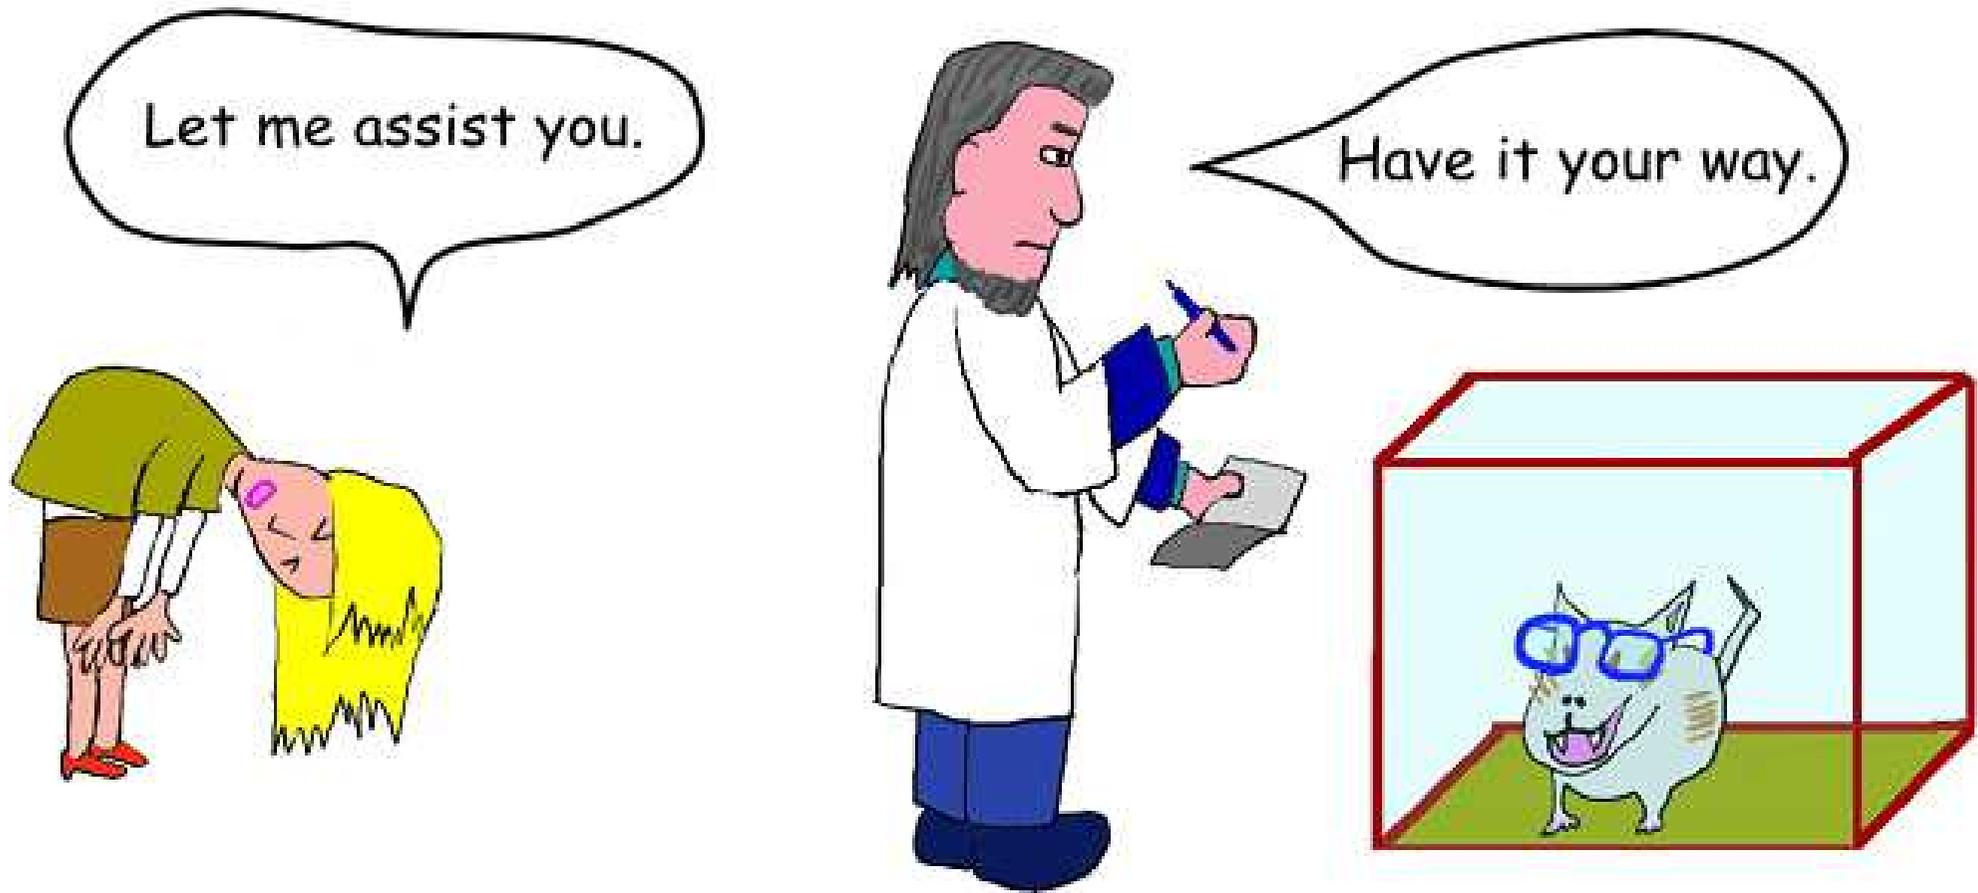

Oh my, another person was killed again.

In the sudden moment, his grand son was murdered, the old man became really furious.

The old man has a strong desire for revenge, which determined him to carry out research to clarify the real motives and causes of the murder.

The old man and the killer lady studied the glasses thoroughly.

There is no doubt that the glasses were the cause of the serial killings.

The old man, anxious and angry, took his revenge on the cause of the homicide.

Afterwards, nobody has been killed.

To the readers,

If your loved one is killed,

Will you take your revenge on the **person**?

Or, don't you want to take your revenge on the **cause**?

## Afterword – ‘If your loved one is killed’ picture book

Please be advised that the writer has no intention to argue that punishment is bad.

He does not want to claim that a victim’s anger or its desire for revenge is bad and forgiveness is good, either.

However, if one cannot see any alternative ways other than punishing and hurting assailants due to the illusion of *good and evil*, leaving causes of crimes as they are, it might be a symptom of *good and evil addiction*. (With regard to *good and evil addiction*, please refer to my book, *Good and Evil Addiction*).
