

The Series of *The Reality called Imagination* - 1

At a Platform

Jun Togo

A man with a smile stands at a platform.

Why is he smiling?

Of course, you cannot read another person's mind; so let's imagine what he is smiling about. Now what kind of imagination will you have? Any imagination is possible, as it is **just an imagination.**

For example, he is smiling because he won the lottery. Isn't it fun to imagine?

You can also imagine a nasty thing. For example, let's imagine that he is smiling because he is making a fool of you in his mind.

Have you got angry to some extent? Let's keep imagining a bit longer.

The man is making a fool of you in his mind and smiling...

The man is making a fool of you in his mind and smiling...

The man is making a fool of you in his mind and smiling...

Ahahaha!

Stupid!

You idiot!

Fool!

Ahahaha!

Go to hell!

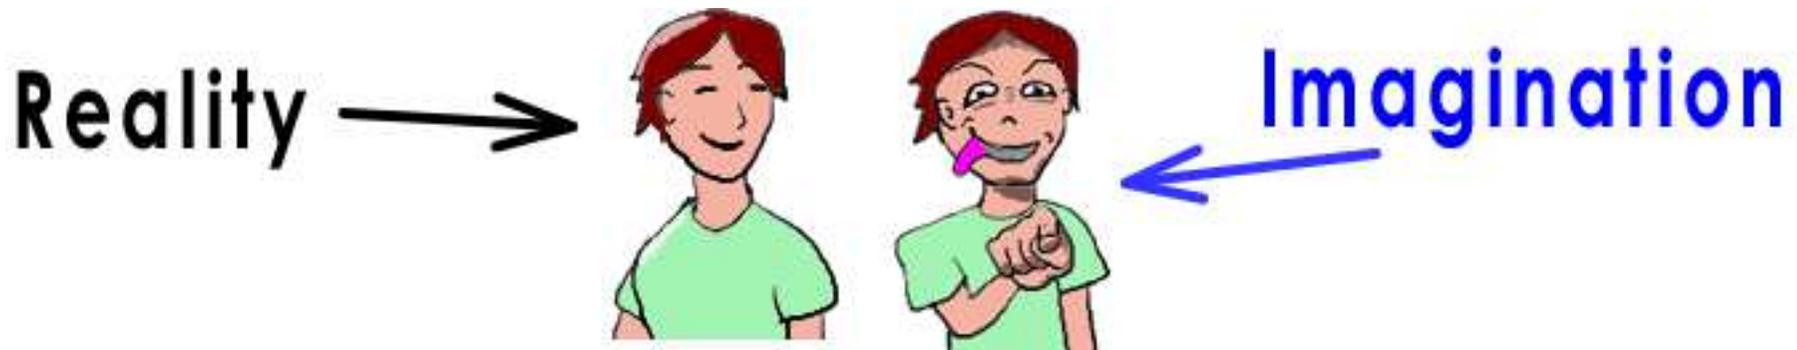

What?

Wait! It's only
your **imagination**!!

You see? A person has an extremely great ability called an imagination.

Only by **imagining**, you can get so angry as to murder somebody.

So, please make sure to
distinguish between
reality and **imagination!**
